

~ Informational Webinar for Juvenile Courts ~
**Massachusetts Youth Screening Instrument-2 (MAYSI-2) Tool
for Justice-Involved Youth**

July 12, 2024

12:00 – 1:00 p.m.

This webinar will be held via Zoom

Description: To assist courts with choosing the appropriate screening and assessment tools required as of October 1, 2024, Child Welfare and Juvenile Justice Services (CWJJS) is hosting a series of informational webinars featuring vendors of the recommended screening and assessment tools that meet the statutory requirements. As part of this series, CWJJS welcomes the University of Massachusetts Chan Medical School (UMass) to present on the MAYSI-2 tool (Massachusetts Youth Screening Instrument-2). The MAYSI-2 is a brief behavioral health screening tool designed especially for juvenile justice programs and facilities. Its primary use is in juvenile probation, diversion programs, and intake in juvenile detention or corrections.

Time will be provided after the presentation for questions. For more information on the MAYSI-2 tool, please go to
<https://www.nysap.us/maysi2/index.html>

Target Audience: Juvenile Court staff including but not limited to: Administrators, Judges, Supervisors, Directors, Probation Officers, Caseworkers, Case Managers

Speakers: Thomas Grisso, Ph.D. (MAYSI-2 Developer & Emeritus Professor-UMass)

No Registration is Required ~ Webinar will be Recorded
